Subject: MLPAComments: Underwater Park - Package Two

Greetings,

My name is Marcus Rebelo and it has come to my attention that you will be reviewing which areas to protect as part of an underwater park. I would hope, as a diver, that such areas as the Breakwater and areas up to and including the point at Pacific Grove would all be part of this protected area.

I believe it is referred to as Package Two. If there is anything that I need to do as a diver of this area to help protect this, please let me know.

Thank you for your consideration.

Marcus Rebelo
